A NOTE FROM THE EXECUTIVE DIRECTOR

It has been a difficult few years for the event due to Covid-19, but we are working our way back slowly but surely. The number of participating artists is building back and in addition to the many returning artists, we have some new artists this year that are showing some amazing work for the first time.

The in person “PRELUDE TO OPEN STUDIOS” event has been brought back at the ARTS CONNECTION gallery with an opening reception on August 5th from 5 to 7 PM. The event will conform to any Covid safety protocols that are in place at the time, but I invite you to attend the reception or visit during the run of the Exhibition which ends at the conclusion of FLAGSTAFF OPEN STUDIOS on August 28th. The ARTS CONNECTION is open from 11 AM to 7 PM Monday through Saturday and 11 AM to 6 PM on Sundays.

The Guide to FLAGSTAFF OPEN STUDIOS, that you are holding in your hands as you read this, is also available for download and printing at flagstaff-arts.org.

As you visit your chosen studios, I ask that you be patient with the comfort and safety rules that may be in effect at each location. These will be determined at the last minute by each host artist, and the most up to date data will be seriously considered for the weekend. Please bring a mask with you as you visit, even if you are vaccinated. You may not need it at some locations, and there may be masks available to you if you forget. Thank you in advance for your cooperation and respect for each artist at the various locales.

I would like to personally extend my thanks to the residents of Flagstaff and beyond for their continuing support and encouragement of local artists during the last 2 years. It is truly heartening that despite the difficult times we are living through, art still plays a great part in comforting, and inspiring all. When you make the tour, however many studios you visit, I know you all will be once again amazed at the talent and diversity of all the artists’ work!

As always, I hope you all enjoy your Flagstaff Open Studios “WEEKEND OF WONDER” (August 27-28, from 10 AM to 5 PM).

See you at the Studios!

All My Best,

Mike Frankel
